Re: Notice of Failure to Submit Supporting Documents
In re Johnson & Johnson Talcum Powder Marketing, Sales Practices and Products Liability Litigation – MDL No. 2738

Dear Counsel,

This is to notify you of the failure by the plaintiff(s) referenced below to submit the required supporting documents by the deadline prescribed in the Court's June 4, 2020, Order ("Order").

Pursuant to the Order, plaintiffs in the 1000 Selected Cases were required to serve upon Defendants via MDL Centrality:

- a complete and verified PPF;
- certain core records, including: "[a]ll medical records or reports from any hospital, physician, or other health care provider who treated plaintiff for ovarian cancer or any gynecologic disease, condition or symptom alleged in the Complaint and/or PPF, and [i]f applicable, decedent-user's death certificate and copies of letters testamentary or letters of administration confirming standing of the named plaintiff or proof that plaintiff is working to obtain letters testamentary or letters of administration"; and
- an executed Limited Authorization to Disclose Health Information

These documents were to be provided within 90 days of the Order, which fell on Wednesday, September 2, 2020.

Plaintiffs have three days from the date of this correspondence in which to comply fully with the requirement to submit supporting documents. After three days, Defendants will move to dismiss with prejudice the cases of plaintiffs who have failed to comply with the CMO.
